Connection

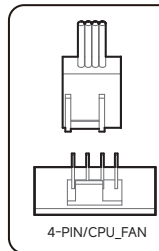

Note: The low-speed cable will not be functional with this fan.

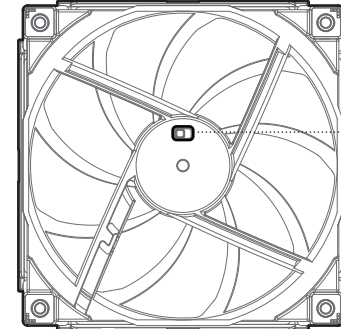

4-PIN/CPU_FAN

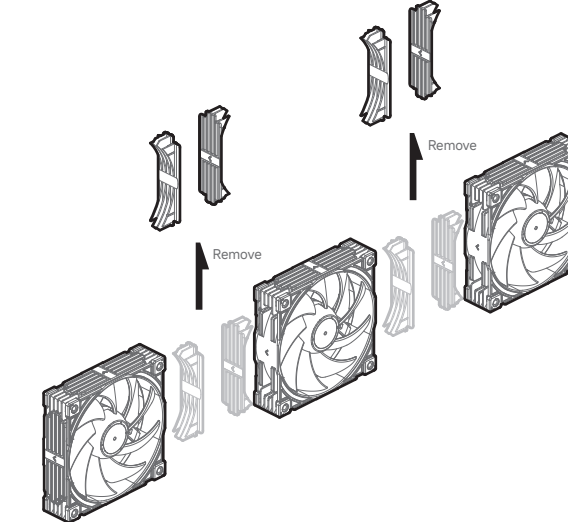

Please verify the amps of the fan header on the motherboard prior to connecting a series of fans to it. If the fan header is rated at 1A, a maximum of 3 fans can be utilized with that series.

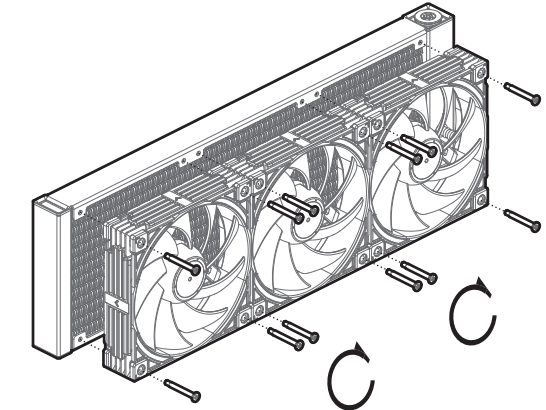

4-PIN/CPU_FAN

Used to turn on and off the central window lighting

When installed on the radiator, please remove the trim at the opposite position.
